Learn more about the Vertical Flight Foundation Scholarship

History

The Vertical Flight Society's philanthropic arm, the Vertical Flight Foundation (VFF), was established in 1967. The Foundation is an independent charitable trust for the support of education in rotorcraft and vertical-takeoff-and-landing (VTOL) aircraft technology. The Foundation's awards are made possible solely by your support.

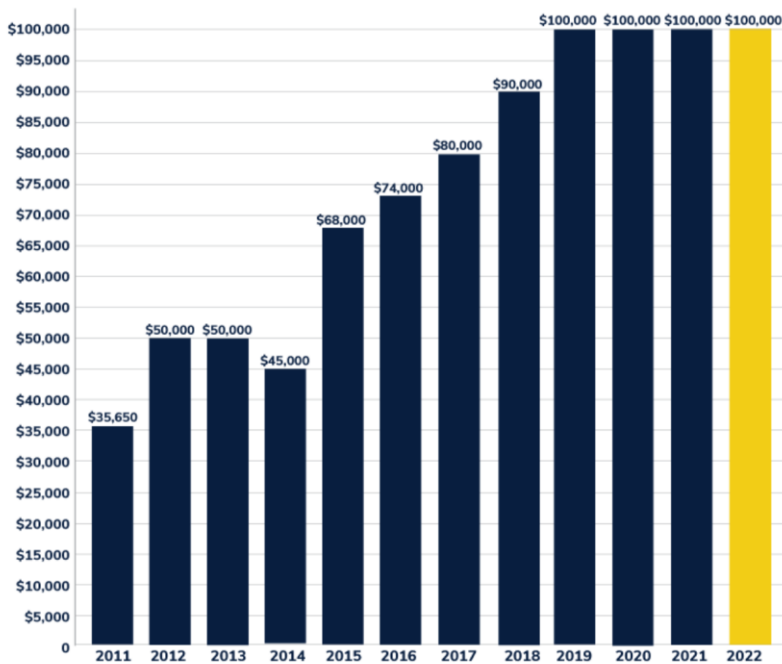

Since 1977, the Foundation has awarded over [500 scholarships](#) and these scholarships have been awarded to students from throughout the world who have demonstrated an interest in pursuing engineering careers in the vertical flight industry. All scholarships are thanks to the generosity and support of [our contributors](#).

100% of every contribution to VFF goes directly to student scholarships. The Vertical Flight Society covers *all* overhead costs of administration and accounting, and contributes a portion of its revenue to supplementing individual contributions.

Your contributions at work

Here are a few ways VFF's impact has grown over the years, thanks to you:

SCHOLARSHIP AMOUNT AWARDED FROM 2011-2022

Your support of the Vertical Flight Foundation has a direct impact on the advancement of current and next-generation vertical flight technologies. By contributing, **you become an essential part of realizing our vision for the future** by helping develop our future leaders and supporting deserving students.

Reservations will be accepted on a first-come-first serve basis as payment is received.

We accept Checks, Credit Cards and Apple/Android Pay. Invoicing is available for Credit Card payment. (Please note that up to a 3.75% transaction fee will be added for payments that are Card based.)
